At each space so marked off it shall be unlawful to park any vehicle in such a way that said vehicle shall not be entirely within the limits of the space so designated.

SECTION 4. INSTALLATION OF PARKING METERS. In said Parking Meter Zone the Director of the Department of Public Safety shall cause parking meters to be installed upon the curb or sidewalk immediately adjacent to the parking spaces provided in Section 3 of this ordinance, provided however, that no parking meters shall be installed in any portion of any designated Parking Meter Zone wherein parking is prohibited by R.S. 39:4-138. If said vehicle shall remain parked in any such parking space beyond the parking time limit set for such parking space, and if the meter shall indicate such illegal parking, then, and in that event, such vehicle shall be considered as parking overtime and beyond the period of legal parking time, and such parking shall be deemed a violation of this ordinance.

SECTION 6. PARKING TIME LIMITS. Parking or standing a vehicle in a designated space in a Parking Meter Zone shall be lawful:

SECTION 8. VIOLATIONS. It shall be unlawful and a violation of the provisions of this ordinance for any person:

(a) To cause, allow, permit or suffer any vehicle registered in the name of, or operated by such person to be parked overtime, or beyond the period of legal parking time established for any parking meter zone as herein described, or to deposit in any parking meter any coin for the purpose of parking beyond the maximum legal parking time for the particular parking meter zone.

(b) To permit any vehicle to remain or be placed in any parking space adjacent to any parking meter while said meter is displaying a signal indicating that the vehicle occupying such parking space has already been parked beyond the period prescribed for such parking space.

(c) To park any vehicle across any line or marking of a parking meter space or in such position that the vehicle shall not be entirely within the area designated by such lines or markings.

(d) To deface, injure, tamper with, open or wilfully break, destroy, or impair the usefulness of any parking meter installed under the provisions of this ordinance.

(e) To deposit or cause to be deposited in any parking meter any slugs, device or metal substance, or other substitute for lawful coins.

SECTION 9. ENFORCEMENT OF OVERTIME PARKING. It shall be the duty of parking violations officers and/or the police officers of the City of Camden, acting under the supervision of, and in accordance with instructions issued by, the Director of the Department of Public Safety, to attach to any vehicle, parked in

violation, within five (5) days from the date thereof and in the event of failure to do so to appear before the Municipal Court of the City of Camden on a date specified on the said notice.

SECTION 10. PENALTIES. Any person who shall violate or fail to comply with any of the provisions of this ordinance, or who shall counsel, aid or abet any such violation or failure to comply, shall be deemed guilty of an offense and shall be punished by a fine not exceeding Fifty (\$50.00) Dollars, or by imprisonment not to exceed fifteen (15) days, or by both such fine and imprisonment at the discretion of the court.

SECTION 11. COLLECTION AND DEPOSIT OF MONIES. It shall be the duty of the Treasurer of the City of Camden to arrange for the regular collection of the monies deposited in said meters and cause the same to be deposited in the usual manner provided by law.

SECTION 12. PRIMA FACIE EVIDENCE THAT OWNER PARKED VEHICLE ILLEGALLY. In any prosecution charging a violation of any regulation governing the parking of a vehicle under this ordinance, proof that the particular vehicle described in the complaint was parked in violation of this ordinance, together with proof that the defendant named in the complaint was, at the time of such parking, the registered owner of such vehicle, shall constitute in evidence a prima facie presumption that the registered owner was the person who parked such vehicle at the point, and for the time during which such violation occurred, unless conclusively proven otherwise.

SECTION 13. RESERVATION OF POWER. Nothing in this ordinance shall be construed as prohibiting the City of Camden from providing for bus stops, for taxi cab stands, and other matters of similar nature, in any Parking Meter Zone, including the loading or unloading of trucks, vans, or other commercial vehicles.

SECTION 14. SEVERABILITY. If any section or provisions, or parts thereof in this ordinance shall be adjudged invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity of the ordinance as a whole or of any other section or provision or part thereof.

SECTION 15. REPEALING PROVISION. City of Camden Ordinance No. 742, adopted on July 24, 1947, and all amendments and supplements thereto, are hereby repealed; and all other ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 16. This ordinance shall take effect twenty (20) days after final passage and publication as provided by law.
