Dear Camden Residents

As the City of Camden and the institutions we support resume operation, we aim to fulfill their needs and meet the needs of our Camden residents. The Parking Authority continues to prioritize public health amid this pandemic. We are working closely with health officials and our partners as we monitor conditions related to COVID-19.

Beginning Monday, August 3, 2020 the Parking Authority will resume enforcing parking throughout the City of Camden. Accordingly, normal parking rates will apply to all garages, parking lots and meters. The Parking Authority will be enforcing residential on-street and off-street permit parking. The Parking Authority will resume parking enforcement and ticket writing.

Our customer service office will remain closed to the public. We will be answering phone calls and responding to emails and voicemails. If you need your monthly parking permit, please mail in your payment or call our customer service department and they will process payments over the phone. If you need a residential parking permit please mail, email or fax a copy of your driver's license, registration and a utility bill with your name and address for that location to 10 Delaware Ave, Camden, NJ 08103. The email address is info@camdenparking.net and the fax number is 856-964-9317.

We will continue to prioritize the safety of our employees and the public during this pandemic.

Thank you for your cooperation.
